Guidance

Outreach

Validation

Member states are recommended to

- link action to the **Upskilling pathways**, ensuring that all citizens have opportunities to develop their basic skills and key competences for participating in labor market and society

- make progress in **RVA** thus supporting second chance education leading to full or partial qualifications (Council Recommendation on the validation of non-formal and informal learning)

- Remove barriers to all types of learning related to **mobility**, including RVA

- implement effective lifelong **guidance systems with outreach activities**
